

### **Material Homeowner Guarantee**

Gutter Covers International warrants to the initial retail purchaser and subsequent owners of The Leaf Terminator™ that for a period of 20 years from the date of installation The Leaf Terminator™ will not peel, chip, crack or blister. This warranty applies under normal exposure to sunlight, temperature and other natural elements, proper installation and normal use and maintenance subject to the limitations, exceptions, disclaimers and other terms and conditions contained in these warranties.

### **Lifetime Performance Warranty**

The Leaf Terminator™ is designed to handle all water runoff on all roof pitches up to 15/12 when properly installed. Gutter Covers International warrants to the initial retail purchaser of The Leaf Terminator™ that the product will keep gutters free-flowing. Free-flowing is defined as movement, or the act of flowing or circulating. This performance warranty is subject to the limitations, exceptions and other terms and conditions contained within these warranties. The Leaf Terminator™ will perform providing that it is not dented or misshaped. The Leaf Terminator™ is guaranteed to perform for the life of your home.

### **Conditions**

For these warranties to apply it is required that your gutters first be thoroughly cleaned. Gutters must also be properly sloped, downspouts and underground drains must be cleared of any debris or obstructions and any downspout screens must be removed. All warranties will be null and void if The Leaf Terminator™ is not properly installed by a Factory Trained Authorized Dealer.

### **Exclusions to Warranties**

These warranties are granted to the initial retail purchaser and transferable with proof of transfer only, and cover only the manufacturing defects as specified herein. Warranties cover manufacturing defects only. They do not cover any other damage or material failure including, but not limited to, normal fading, damage caused by conditions beyond the control of the manufacturer, such as improper installation, settling of the building, failure of the structures (including foundations and walls), use of incompatible equipment, chemical pollutants, salt, fire, flood, ice dams, lightning, windblown objects, earthquakes, hurricanes, atmospheric conditions or other catastrophic weather as defined by the U.S. Weather Bureau, other acts of God, intentional acts, unreasonable uses or failure to provide reasonable maintenance. Gutter Covers International does not warrant and will not be responsible for any costs, defects or damages respect to the removal or re-installation of The Leaf Terminator™ products or components.

Although The Leaf Terminator™ requires virtually no maintenance, there are conditions in certain geographic locations where cottonwood trees, hardwood tassels, excessive tree sap and/or resins from trees can be prevalent in excessive amounts. Under these conditions, The Leaf Terminator™ should be sprayed off with an ordinary garden or pressure hose to maintain performance excellence.

Painting of “specifically coated” The Leaf Terminator™ product will void this warranty. Adjustment to or tampering with the custom engineered The Leaf Terminator™ system by unauthorized contractors (painters, roofers, etc.), or misalignment, dents or deflections caused by ladders placed against gutters or The Leaf Terminator™ will void these warranties.

### **Remedy and Rights**

If The Leaf Terminator™ fails to meet these warranties, Gutter Covers International will – at its option – repair or refund the full purchase price of the failing part. No employee, representative or agent of Gutter Covers International, nor any other person has authority to assume or incur on behalf of Gutter Covers International any obligation, liability, responsibility in place or in addition to these warranties.

In no event shall the duration of the implied material warranty be longer than 20 years from the date of initial purchase. Some states do not permit any limitation on the length of an implied material warranty, and incidental or consequential damage, and therefore, some or the entire preceding sentence may not apply. In no event shall Gutter Covers International be obligated or liable for consequential, incidental, special, indirect or punitive damages, and therefore, some or all of the preceding sentence may not apply. These warranties provide specific legal rights, and other rights, which vary from state to state.

### **Proof of Purchase**

A copy of the original invoice from a Factory Trained Authorized Dealer is required to validate this warranty.

### **Registration of Warranties**

For these warranties to be effective, the attached warranty card must be completed, signed by the initial retail purchaser and the Factory Trained Authorized Dealer and returned to Gutter Covers International at the address indicated on the card not later than 30 days after the completed installation of The Leaf Terminator™.

### **Warranty Service**

Claims for failure or defects under this warranty must be sent to the Factory Trained Authorized Dealer for service and resolution. Service calls for non-warranty repair or adjustment may result in a service charge. All other inquiries may be sent to Gutter Covers International at P.O. Box 54498, Cincinnati, Ohio 45254. Attention: Customer Service Department.

### **Registration and Transfer**

To activate this Lifetime Limited Warranty, the original purchaser and the Factory Trained Authorized Dealer must fill out, sign and mail in the registration certificate within 30 days of the installation date. To transfer the warranty, simply send a copy of the Title of Transfer of the property shown on the registration Certificate, and a copy of the Registration Certificate within 30 days of the transfer, along with a check or money order for \$49.00 for the transfer.
